Inspiring and empowering Ouray County citizens to contribute to their community in a meaningful manner.

Through this project, the Mosaic Community Project (MCP) grants seed money to support local service projects that coincide with the MCP mission statement.

DETAILS

• Up to \$500 will be awarded per application.

Requirements

- Interested participants will fill out an application, meet all guidelines, and complete the fundraising portion of the project and the service project within the expressed timeframe.
- All youth participants must have an adult supervisor who can monitor funds received and raised, as well as oversee the allocation of the funds and the overall good faith of the young participants
- All BIG Idea service projects must be in alignment with the MCP mission statement.

Timeline

- The MCP board makes decisions on submitted applications during the first week of each month.
- Matching funds, if not already secured, must be met within two months of application acceptance. MCP funds will then be granted.
- Service projects must be completed within four months of the grant allocation.
- A final report must be submitted upon project completion accompanied by a final budget and any project documentation (such as photographs, video, blog, website).

Funding for this program is provided, in part, by a generous grant from the
